

'Linking **2** Learn'

Linking-to-Learn meeting Resource Workshop September 2009

Galatians 6:2 Carry each other's burdens, and in this way you will fulfil the law of Christ

The Cluster resource workshop was a peer-to-peer education adult learning exercise. Each member spoke about one resource they had found helpful. They provided a handout on this resource and detailed where to find it/purchase it and when and where to use it. The members presented different ideas, shared resources, helped each other develop trainings and explored novel approaches to Community Health.

Examples of resource shared include books, training guides, PowerPoint presentation, training method, government program links, approaches to HIV, TB DOTS program etc.

Also at the CHGN-UKC resource workshop, an experienced Australian Bible teacher, Rev John Sugars, expounded the most important resource, the Bible. Philippians was the passage for study.
